

# JUROR Greg Patterson

A professional photographer since 1988, Greg Patterson provides artistic and technically superior photography services for a variety of clients. He and his wife, Cindy, own and operate House of Photography, located in historic downtown Nacogdoches, and have provided photographic services for over 25 years. His interest in photography started at age 12 with a camera as a birthday present from his dad. He received both a bachelor and master's degree from Stephen F. Austin State University that focused on photography and visual media. His photographs can be seen in many publications, most recently Texas Parks & Wildlife and Guideposts. Greg is passionate about photography, which carries into the classroom where he has taught more than 1,000 students how to capture great photos, and how photography is used in communication. He retired from SFA in 2017 after teaching 21 years and now offers classes to both adults and kids through House of Photography.
