

FUNDS AVAILABILITY NOTICE

Business Days: Monday through Friday

Excluding Federal Holidays

Phone: (903) 237-5500

This Policy statement applies to all consumer deposit accounts.

YOUR ABILITY TO WITHDRAW FUNDS

Our policy is to make funds from your deposits available to you on the first business day after the day we receive your deposit. However, funds from electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and/or we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit in person during normal open business hours, we will consider that day to be the day of your deposit. However, if you make a deposit after we are closed or on a day that we are not open, we will consider that the deposit was made on the next business day we are open.

RESERVATION OF RIGHT TO HOLD. In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. However, the first \$275 of your deposit will be available on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the business day after we receive your deposit. If you need the funds from a deposit right away, you should ask us when the funds will be available.

LONGER DELAYS MAY APPLY. We may delay your availability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- You deposit checks totaling more than \$6,725 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- We believe a check you deposit will not be paid.
- There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

MEMBER FDIC

HOLDS ON OTHER FUNDS. If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that is already in your account. These funds will be available at the time funds from the check we cashed would have been available had you deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

SPECIAL RULES FOR NEW ACCOUNTS. If you are a new customer, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$6,725 of a day's total deposits of cashier's, certified, teller's, travelers, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$6,725 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$6,725 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the tenth business day after the day of your deposit.
